

# FMR PANTHER PICKER MULCHER

INNOVATION FOR GROWTH.

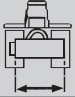

# FMR PANTHER PICKER MULCHER

The FMR Panther picker mulcher is the perfect solution for the vineyard or orchard with stony, wet or sandy soil as the material is lifted from the ground and into the mulching chamber where it is held until finely mulched, resulting in a finer mulch and lower wear on flails. The Panther is perfect for material up to 6-7cm.

## STANDARD EQUIPMENT AND FEATURES:

- Fixed centre mounted linkage
- Free-wheeling gearbox
- Heavy duty chassis and rear door
- Rotating rear wheels with height adjustment
- Double row of counter profiles
- Rear door can be opened for internal maintenance
- Hydraulic driven pick-up rotor
- Pick-up rotor rakes built from Hardox anti-wear material
- Front guards to guide material into pick-up
- Super heavy duty flail rotor and bearings
- Driveshaft with shear bolt
